*T*his guide provides you with thumbnail images of the prepared publicity files that are included on the Olympion Portal, for use in your Olympion VBS:

- **Publicity Flyer**: Download from he portal.
- **Publicity Banner**: This file may be enlarged at any copy center with banner printing capabilities. However, the outdoor banner is here on the portal to use for promotions. You will need to download the pdf here and take it to your convenient sign shop to be prodcued.
- **OLY Logo**: You may use the the logos found here on the portal for print and web publicity purposes. The color logo is in low resolution file for web use only. A high resolution Olympion color logo for print purposes is available in Adobe Illustrator file (,ai or eps).
- **Web Images**: These files are provided at a resolution appropriate for web use.
- **Clip Art**: Additional images at a resolution suitable for creating your own publicity pieces for print and web are available in the Miscellaneous clip art section of the portal.
